

WORSHIP STREET, LONDON

# THE ALLEGORY

In the heart of Shoreditch's happening new hub, Principal Place, The Allegory will be an everyday escape in London's buzzing unsquare mile. Long lingering brunches that finish with espresso martinis, quick catch-ups over pastries and freshly ground coffee, wholesome sharing platters and creative cocktails with colleagues; these one-of-a-kind experiences will be found at The Allegory.

A beautiful alfresco terrace, large open plan bar and cosy candlelit corners, this is a destination you'll want to return to again and again.
