ALL ABOUT US

Set just a stone's throw from St Paul's Cathedral in the iconic Paternoster Square, The Happenstance offers an escape from the everyday in the heart of the city. With a relaxed ambiance and chic interiors, our all-day dining bar & restaurant provides everything from power breakfasts and lunches through to mixology masterclasses, drinks receptions and late-night dinners. Open Monday to Saturday and available for private hire seven days a week, The Happenstance is the perfect venue for events of every shape and size.

DRINK & FOOD

Balancing innovative mixology with seasoned classics, The Happenstance's cocktail list has something for everyone. You'll also find a large wine list and a variety of beers and ciders both bottled and on tap. Inspired by the seasons and locally sourced wherever possible, the menu features a range of dishes from small plates and sharing boards to salads and larger mains such as buttermilk chicken burger with chipotle mayonnaise and chargrilled tuna salad with green papaya, cucumber, peanuts & lime dressing.

STYLE

Fusing bold statement panelling with soft lighting and plenty of candles, The Happenstance is simultaneously striking and inviting. Cosy booths and faux-fur throws balance statement tiling and modern lighting to create the perfect combination of warmth and glamour. From the spacious alfresco terrace to the intricately designed private dining room, The Happenstance has it all.

FILMING & PHOTOGRAPHY

With its unique position on the doorstep of St Paul's and it's elegant decor both inside and out, The Happenstance is a popular spot for photo-shoots and filming.

EVENTS

With two adjoining spaces in the main bar and restaurant and a private dining room, The Happenstance has the perfect space for any scenario. Choose the main dining room for a relaxed lunch party, or opt for the lounge bar and restaurant for a more lively ambiance for after work drinks and private hires. The stunning space can accommodate 250 seated and 350 standing.

We know that it is the details that make an event truly special. Our dedicated events team will work with you to create your own bespoke drink & food packages, from light bites and cocktails to a 3-course extravaganza. For something a bit different, opt for a mixology masterclass or an intimate wine and cheese pairing workshop.
