DRAKE & MORGAN

PREFACE

East of the Sun and West of the
Moon lays a land of magic,
a dream world where the ordinary
is suddenly extraordinary.

Where you leave the city streets behind to become your
most **bewitching** self in a whirl of colour, sensation and
fabulous shoes.

A place where captivating cocktails **colourshift**
before your eyes.

Where even the menus **enchant** you ('yes to the trio of fries'
they seem to say 'because three is the magic number').

You don't need to clamber through a wardrobe or scale a
faraway tree to reach this land, you just have to believe in
dreams & magic.

Or, y'know, route map your nearest D&M.

Prepare to be captivated by an autumn and winter like no
other as you step into the season of 'Dreams & Magic.'

If you can dream it, you can drink it.

May you be old enough to enjoy our fabulous cocktails but never too old to follow your flights of fantasy, wherever they may take you. To the Seven Seas aboard the Black Pearl for a tangy **Pirate's Dream** of Goslings rum, FAIR café liqueur, lime & London essence roasted pineapple soda, where BYOB means Bring Your Own

Buccaneer. Take a seat in the glistening, snowy branches of the **Alpine Aperol** tree as the spritz takes you on a sleigh ride all the way from summerside to wintertide. Discover Arctic foxes as they sprint across the sky, creating the Aurora as they go. Pampero rum, Briottet orange, orgeat, butterfly pea flower tea & citrus- who knew

that the **Northern Lights** would taste as delightful as they look? Or simply sink into the cosy embrace of a blanket in a front of a crackling fire, friends by your side and a low-alcohol **Hygge in a Mug** with a dreamy brownie to boot. Our elixirs will take you anywhere. The question is, where do you want to go?

Be it **Carpaccio of TuNO**, 'Shrimp' Lollipops or the stunning **Symplicity Burger** with a couple of rashers of **THIS™ isn't bacon**, there's

PLENTY of plant power to go round. Of course, the fey folk are famous for having a serious sweet tooth so fear not, there's a range of perfect puds from **Sticky Toffee** to a **Chocolate & Cherry Sundae** - what is this wonderful witchcraft? - to choose from.

“A little magic can take
you a long way”.

said Roald Dahl

Well, a little help can go a long way too. We are proud partners of the extraordinary **Maggies**, a charity providing free cancer support and information across the UK and online. By giving our stunning new **Lemon & Parsley Crusted Cod** with winter greens and burnt lemon a go, you not

only get to eat really good things but do really good things too. For every dish sold, we will give 50p to Maggie's to help fund their critical work. If fish is not the dish for you, don't worry, you will be given an option to donate at payment. Just press yes to give 50p with 90% going

to Maggie's and 10% to Pennies, the digital charity box. Let's share a little magic this season.

Follow your dreams outside

As the leaves turn to gold and burnt orange, hues absolutely popping against a crisp blue sky, our outfits of choice now include super cute scarves, knee length boots and wooly beanies that make us look like total babes. Is there actually a more magical time of year?

Fall in love with fall on our terraces this year, snuggle like Ron & Hermione under cosy blankets in the glow of heaters- our kind of magic- with bewitching beverages and phenomenal food to light your way through the darker months.

From October, we're partnering with some surprise magical brands to whisk you far away to even dreamier lands. Join us to find out why outside is the new inside this season... whatever the weather.

Making magical memories

Why just day dream when you can have your actual dream day?

Summon your people and sprinkle some extra magic on your **special events**- whether celebrating your engagement in a fairytale setting, saying 'I do' to a handsome

prince under the divine dome of **Devonshire Terrace** or conjuring up a birthday brimming with potions & pals at **The Refinery Bankside** (AKA enjoying really gorgeous cocktails).

Whatever the reason, let's raise a glass (or three) to just how magical you really are.

PARTIES & CELEBRATIONS

Work your magic

Even goddesses gotta graft but being back in the office **can** be out of this world!

Take those meetings off Zoom and into a place where your ideas can bloom; in person with properly made coffee,

captivating low-alcohol cocktails and lovely lunches to help you on your way.

Then after a day of slaying, catch up with colleagues for after-work sips in beautiful settings.

Put a little magic in the mundane and get back to city life the D&M way.

It's the dream right?

Little miss magic

We know there's nothing more magical than a day with your little pixies discovering dragons in the local park or checking out some seriously desirable 'enchanted castle' real estate in the garden shed.

So, we want to help you feed their big imaginations at our bars with little lunches, healthy but tasty treats and babyccinos as you unwind with a glass of wine and some perfect plates of your own.

D&M- fuelled by fairy dust and flatbread with hummus, loved by little ones and totally parent-approved.

The prodigious power of pooches

There's something truly, deeply, madly magical about our
paw-fect pals isn't there?

We're absolutely dotty about dogs here at D&M which is why your
furry friends are not just welcomed but positively encouraged in our bars.

Get tails wagging over a bowl of **Pawsecco** this season because love
is a four-legged word.
